AUTO DISH

**AUTOMATIC DISH WASH POWDER,
BUILT IN RINSE AID – ANTI BAC**

DESCRIPTION

Auto dish is a dishwashing powder recommended for all types of automatic dish washing machines.

DIRECTIONS FOR USE

Remove food scraps from dishes before putting them into the machine. Fill detergent dispenser with Autodish.

Dilutions :

35 grams for large loads

20 grams for medium loads

Due to carry over and dilution of rinse water in industrial machines, add 50grams per 15 racks to ensure correct concentration.

Important :

Ensure articles are dishwasher safe. Do not overload the basket, articles should not touch. Spray to be clean and to rotate freely.

BENEFITS

- Recommended for all types of dish washing machines from small domestic to industrial types.
- Highly effective detergent to remove all types of soiling and stains
- Prevents scale build – up and is suitable for use in both hard and soft water
- May be safely used on all dish washer approved articles
- Convenient re – usable plastic bucket protects powder when not in use

PRECAUTIONS

Lead crystal, glassware, antique hand painted China, over glazed crockery – should not be washed at high temperature.

Autodish is strongly alkaline. Avoid contact with eyes, mouth and skin.

EMERGENCY TREATMENT

Skin contact: Flush immediately with soap and water, wash contaminated clothing before reuse. If irritation develops, seek medical advice.

Eye contact: Rinse immediately with plenty of water for 15 minutes with eyelids held wide open. Seek medical advice.

Inhalation: Move person to fresh air and obtain medical advice.

Ingestion: Do not induce vomiting. Give 2 glasses of water to drink and seek immediate medical attention.

STORAGE

Keep out of reach of children.
