

Chlorklenz

THICK LIQUID BLEACH THAT KILLS GERMS, CLEANS AND DEODORISES

DESCRIPTION

Chlorklenz is a highly alkaline chlorinated liquid detergent and sanitizer suitable for foam cleaning of surfaces, i.e. tanks, filling machines, conveyors, walls, floors and all types of equipment and surfaces in the food, poultry, beverage and breweries. Chlorklenz is safe to use on most materials of construction.

FEATURES:

Provides rapid, effective cleaning and sanitizing.
Alkaline – Accelerated breakdown of fat and proteinaceous soiling.
Chlorinated – Sanitize and improves proteinaceous soil removal efficiency. Kills all types of micro-organisms.
Surfactants – break down proteins, greasy and fatty soils.
Stable foam – Increased soil contact time.

Chlorklenz is also ideal for use in bathrooms, toilets, change rooms, urinals and other sanitary areas. It can be used on all surfaces that are not sensitive to chlorine. It is ideal for the removal of grout stains and odours from urinals, toilets, showers, basins, baths and tiles. .

DIRECTIONS FOR USE

Use Chlorklenz at a concentration 0.5 – 5% (5 – 50ml/litre)
In some cases it may be required to use Chlorklenz neat i.e. on Mildew.

Chlorklenz is suitable for use in all types of foaming systems including pot foamers and venture systems. Allow foam contact time of at least 10 minutes before rinsing.

Chlorklenz can be applied to surfaces using a broom, scrubbing brush or and a mop.

PRECAUTIONS

Chlorklenz contains active chlorine.

- Do not use on wool, silk and coloured fabrics
- Avoid direct contact with eyes and skin
- For prolonged contact, wear impervious rubber gloves
- Do not ingest product
