Degreaser Mi

SOLVENT DEGREASER AND ENGINE CLEANER

DESCRIPTION

A liquid solvent emulsion cleaner which quickly dissolved and emulsifies grease, oil and light carbonaceous deposits which can easily be rinsed away with water, without leaving an oily film or strong obnoxious odour.

APPLICATIONS (Usage Areas)

Removes grease, oil and dirt from:

- Engines
- Floors
- Rockdrills
- Winches
- Conveyors
- Pumps
- etc.

DIRECTIONS FOR USE

Ensure that the engine is warm but not hot for best results. Heavy deposits of grease should first be loosened with a wire brush. Thoroughly spray the soiled area. Degreaser Mi may be applied by brushing, immersion or low pressure non – atomizing spray. Allow cleaning fluid to soak for 5 to 10 minutes, hose down with a jet of cold water, run the engine for a few minutes to assist drying off.

BENEFITS

- Degreaser Mi is safe to use on both painted and non – painted surfaces
- Rinses easily

EMERGENCY TREATMENT

Skin contact: In case of contact, immediately flush skin with plenty of water for at least 15 minutes whilst removing contaminated clothing and shoes.

Eye contact: Check for and remove any contact lenses. Immediately flush eyes with cold running water for at least 15 minutes, keeping eyelids open. Seek medical attention immediately.

Inhalation: If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention.

Ingestion: Do not induce vomiting unless directed to do so by medical personnel. Seek medical attention.

STORAGE

Store in original container undercover in a cool dry place.

Keep container tightly closed when not in use. Keep away from the reach of children.
