# Furniture Polish

## WAX BASED FURNITURE POLISH

### DESCRIPTION

Furniture Polish is a versatile polish that will protect and shine wooden furniture, slowing the natural fading process of the surface. Superior dust removal and cleaning action leaves wood with a dust free shine and pleasant fragrance.

### APPLICATIONS (Usage Areas)

Furniture Polish can be applied to all types of wooden furniture in schools, homes, offices etc.

### DIRECTIONS FOR USE

Furniture Polish can be applied directly to the surface with a clean, soft cloth. Wipe away excess polish with a clean, dry cloth until a shiny, clean surface is obtained.

### BENEFITS

Safe to use on all wooden furniture  
Pleasant fragrance  
Shines and protects  
No waxy build-up

### EMERGENCY TREATMENT

Skin contact: Flush with water, wash contaminated clothing before reuse. If irritation develops, seek medical advice.

Eye contact: Rinse immediately with plenty of water for 15 minutes with eyelids held wide open. Seek medical advice.

Inhalation: Move person to fresh air and seek medical advice.

Ingestion: Induce vomiting. Drink 2 glasses of water and seek immediate medical attention.

### STORAGE

Store in original container undercover in a cool dry place.

Do not mix with other detergents.

Keep container tightly closed when not in use.

Keep away from the reach of children.
