

GeoDry-Environmental

HIGH ACTIVE RINSE AGENT FOR USE WITH AUTOMATIC WAREWASHING

APPLICATIONS (Usage Areas)

GeoDry Environmental is a high active rinse agent for use in automatic warewashing applications.

A concentrated formulation that cost effectively promotes rinsing in dishwashers and glasswashers under most operating conditions.

It is blended to produce sparkling, spot free glasses, cutlery and ware under the widest variety of dishwashing operations. In areas of soft to medium water hardness

DIRECTIONS FOR USE

Light Duty Dilution - 0.1 ml / lt
Heavy Duty Dilution - 0.3 ml / lt

GeoDry Environmental is normally injected automatically into the final rinse water of warewashing machines at a concentration of 0.1-0.3 ml/l at temperatures of 80-90°C, using automatic dispensing equipment. It may also be applied manually into the rinse aid reservoir of smaller dishmachines.

Actual dosage levels are determined according to local site conditions.

BENEFITS

- Biodegradable & Environmentally Safe
- Increases productivity and dishware hygiene by promoting rapid complete drying
- Leaves glasses sparkling clear and free of water spots

PRECAUTIONS

Avoid direct contact with eyes and skin. Wear impervious rubber gloves and safety goggles when using product. Do not ingest product.

For more detailed application procedures and safety instructions, refer to the Technical Data Sheet and MSDS or contact your local GeoChem representative

EMERGENCY TREATMENT

Product in Eyes: Immediately flush eyes with plenty of water for at least 15 minutes, lifting lower and upper eyelids occasionally. Get medical attention.

Product on Skin: Flush skin with water while removing contaminated clothing and shoes. Wash clothing before re-use.

Product Ingested: Induce vomiting. Give 2 glasses of water to drink. Get immediate medical attention.

Product Inhaled: Remove patient to fresh air. If breathing with difficulty, seek medical attention.

STORAGE

Do not leave in direct sunlight. Store in original container undercover in a cool dry place away from food stuffs. Keep container tightly closed when not in use. Keep away from the reach of children. GeoDry Environmental has a shelf life of 18 months, once diluted use immediately.
