# Greasesolve

## NON-PERFUMED, HEAVY DUTY GENERAL SOLVENT CLEANER

### DESCRIPTION

Greasesolve is a concentrated blend of detergents, water soluble solvents and mild alkalies.

### APPLICATIONS (Usage Areas)

As a multi-purpose cleaner, Greasesolve has a variety of uses:

- Food processing, kitchen areas, ovens and stoves;
- Walls, floors, doors, tarpaulins, motor seat covers;
- Baths, toilets, basins, windows mirrors;
- Garages, industrial vehicles and equipment, workshops;
- Laundry and dry cleaners as a pre-spotter.

Greasesolve easily removes many types of soiling including food residues, body fat, grease, oil and light carbon deposits.

### DIRECTIONS FOR USE

Greasesolve can be applied via spray bottle, mop, cloth or brush. Rinse with water.

#### Light duty cleaning:

Can be diluted up to 1:80 with water.

#### Medium soiling:

Dilute 1:40 with water.

#### Heavy soiling:

Diluted 1:10 with water.

### BENEFITS

- Safe to use on all metal and painted surface
- Can be used hot or cold
- Equally effective in hard or soft water
- Rinses easily with no streaking or smearing

### EMERGENCY TREATMENT

Skin contact: Flush with water, wash contaminated clothing before reuse. If irritation develops, seek medical advice.

Eye contact: Rinse immediately with plenty of water for 15 minutes with eyelids held wide open. Seek medical advice.

Inhalation: Move person to fresh air and seek medical advice.

Ingestion: Induce vomiting. Drink 2 glasses of water and seek immediate medical attention.

### STORAGE

Store in original container undercover in a cool dry place.

Do not mix with other detergents.

Keep container tightly closed when not in use.

Keep away from the reach of children.
