Low Foam

LOW FOAMING DETERGENT DEGREASER

DESCRIPTION

Low Foam is a concentrated blend of detergents and solvents to provide degreasing and cleaning in low foam applications.

APPLICATIONS (Usage Areas)

For use primarily with auto-scrubbers to clean floors. Applications extend to cleaning of tiles, walls, windows and engines, anywhere good degreasing and cleaning is required with low foaming properties.

DIRECTIONS FOR USE

General cleaning dilute 1 part Low Foam to 25 parts water. For light duty cleaning, dilute 1 part Low Foam to 50 parts water.

BENEFITS

- Safe to use on all metal and painted surfaces
- Can be used hot or cold
- Non corrosive to scrubbing machinery
- Free rinsing

EMERGENCY TREATMENT

Skin contact: Flush with water, wash contaminated clothing before reuse. If irritation develops, seek medical advice.

Eye contact: Rinse immediately with plenty of water for 15 minutes with eyelids held wide open. Seek medical advice.

Inhalation: Move person to fresh air and seek medical advice.

Ingestion: Induce vomiting. Drink 2 glasses of water and seek immediate medical attention.

STORAGE

Store in original container undercover in a cool dry place.

Do not mix with other detergents.

Keep container tightly closed when not in use.

Keep away from the reach of children.
