Protein Spot

PROTEIN STAIN REMOVER

DESCRIPTION

Protein Spot is a concentrated protein stain remover. A clear product with a neutral fragrance. Contains a unique blend of mild detergents and mild solvents to effectively remove protein stains safely from fabrics.

APPLICATIONS (Usage Areas)

Protein Spot is an ideal protein spot remover for all types of protein stains such as gravy, blood, milk, urine, organic waste matter etc. Can be used as part of a laundry cleaning process in hospitals, hostels, prisons, domestic use, hotels, etc.

DIRECTIONS FOR USE

Apply Protein Spot to the stain directly. Allow 10 to 20 minutes soaking time. Agitate the stain and rinse with water or add to the normal wash cycle. Stubborn stains may need overnight soak in warm Protein Spot or may need pretreatment with Rustoff to remove iron stains first e.g. iron from blood stains. Protein Spot is alkaline and may need to be neutralized with dilute citric acid if yellowing or colour changes occur.

BENEFITS

Effective
Easy application
Safe on fabrics

PRECAUTIONS

Protein Spot contains solvents.

- Do not use with other detergents
- Avoid direct contact with eyes and skin
- Wear impervious rubber gloves
- Do not ingest product
- Keep out of the reach of children

EMERGENCY TREATMENT

Skin contact: Flush immediately with soap and water, wash contaminated clothing before reuse. If irritation develops, seek medical advice.
