Safe Strip

HIGHLY CONCENTRATED NON-AMMONIATED POLISH REMOVER

DESCRIPTION

Safe Strip is a highly concentrated stripper for polymer floor dressings and other acrylic floor polishes.

APPLICATIONS (Usage Areas)

As a multi-purpose polymer stripper that will remove floor polish coatings from a variety of surfaces in industrial and commercial applications.

DIRECTIONS FOR USE

Safe Strip is suitable for use on most hard surfaces. For maintenance removal of acrylic polish from all surfaces, dilute 1-part of Safe Strip to 5-parts water. Apply to the floor with mop. Scrub floor thoroughly by hand or with scrubbing machine. Then rinse floor well with tap water and allow to dry.

For very old and hard floor dressings a stronger concentration of Safe Strip may be necessary.

BENEFITS

- Safe to use
- Effective and versatile
- Economical
- Rinses easily

EMERGENCY TREATMENT

Skin contact: Flush with water, wash contaminated clothing before reuse. If irritation develops, seek medical advice.

Eye contact: Rinse immediately with plenty of water for 15 minutes with eyelids held wide open. Seek medical advice.

Inhalation: Move person to fresh air and seek medical advice.

Ingestion: Do not induce vomiting. Drink 2 glasses of water and seek immediate medical attention.

STORAGE

Store in original container undercover in a cool dry place.

Do not mix with other detergents.

Keep container tightly closed when not in use.

Keep away from the reach of children.
