Supa Steel

HIGH SHINE STAINLESS STEEL CLEANER

DESCRIPTION

Supa Steel is a light to medium duty stainless steel cleaner. Contains emulsifiers and detergents that remove and clean stainless steel surfaces to a deep gloss and high shine. Supa Steel is safe to use on food contact surfaces.

APPLICATIONS (Usage Areas)

Supa Steel can be used for the light to medium cleaning of stainless steel surfaces such as tanks, railings, piping, counter tops, bench tops, equipment, utensils etc. Areas of use include canteens, kitchens, bakeries, workshops, hospitals, schools, laboratories etc.

DIRECTIONS FOR USE

Spray directly onto the surface and buff clean with a dry cloth. Alternatively dispense into a cloth and buff the surfaces as required. Buff until surfaces are clean and dry. Repeat as necessary. Rinsing is not required, even on food contact surfaces.

BENEFITS

Cost effective
Food safe
Deep gloss, high shine
Versatile with easy application

PRECAUTIONS

Supa Steel is packed under pressure.

- Do not expose to extreme heat
- Avoid storage in direct sunlight
- Do not ingest product
- Keep out of the reach of children

EMERGENCY TREATMENT

Skin contact: Flush with soap and water, wash contaminated clothing before reuse. If irritation develops, seek medical advice.
