T.F.R.

NON-PERFUMED, HEAVY DUTY GENERAL PURPOSE CLEANER

DESCRIPTION

TFR is a concentrated blend of detergents, sequestrants, and mild alkalis. Does not contain any solvents.

APPLICATIONS (Usage Areas)

As a multi-purpose cleaner, TFR has a variety of uses:

- Carpeting, walkways, concrete surfaces;
- Walls, floors, doors, tarpaulins, motor seat covers;
- Baths, toilets, basins, windows mirrors;
- Garages, industrial vehicles and equipment, workshops;
- Laundry and dry cleaners as a pre-spotter.
- Locomotives and coaches

TFR easily removes many types of soiling including food residues, body fat, grease, oil and light carbon deposits.

DIRECTIONS FOR USE

TFR can be applied via spray bottle, mop, cloth or brush. Rinse with water.

Light duty cleaning:

Can be diluted up to 1:80 with water.

Medium soiling:

Dilute 1:40 with water.

Heavy soiling:

Diluted 1:10 with water.

TFR is suitable for use in high pressure systems and scrubbing machines.

BENEFITS

- Safe to use on all metal and painted surface
- Can be used hot or cold
- Equally effective in hard or soft water
- Rinses easily with no streaking or smearing

EMERGENCY TREATMENT

Skin contact: Flush with water, wash contaminated clothing before reuse. If irritation develops, seek medical advice.

Eye contact: Rinse immediately with plenty of water for 15 minutes with eyelids held wide open. Seek medical advice.

Inhalation: Move person to fresh air and seek medical advice.

Ingestion: Do not induce vomiting. Drink 2 glasses of water and seek immediate medical attention.

STORAGE

Store in original container undercover in a cool dry place.

Do not mix with other detergents.

Keep container tightly closed when not in use.

Keep away from the reach of children.
