Tannin Spot

TANNIN STAIN REMOVER

DESCRIPTION

Tannin Spot is a concentrated tannin stain remover. A straw clear product with slightly acidic content and lemon fragrance. Contains a unique blend of mild detergents, mild organic acid and solvents to effectively remove tannin stains safely from fabrics. Not suitable for acetate fibers.

APPLICATIONS (Usage Areas)

Tannin Spot is an ideal tannin spot remover for all types of tannin stains such as tea, coffee, cola, leather stains etc. Can be used as part of a laundry cleaning process in hospitals, hostels, prisons, domestic use, hotels, etc.

DIRECTIONS FOR USE

Apply Tannin Spot to the stain directly. Allow 10 to 20 minutes soaking time. Agitate the stain and rinse with water or add to the normal wash cycle. Stubborn stains may need overnight soak in warm Tannin Spot or may need pretreatment with Protein Spot to remove protein stains first e.g. milk from a tea stain.

BENEFITS

Effective
Easy application
Safe on fabrics

PRECAUTIONS

Tannin Spot contains solvents.

- Do not use with other detergents
- Avoid direct contact with eyes and skin
- Wear impervious rubber gloves
- Do not ingest product
- Keep out of the reach of children

EMERGENCY TREATMENT
